

CERTIFICATE COURSE IN HEALTH PROFESSIONS EDUCATION (CHPE)

Accredited by JSMU

January 2026 - July 2026

BACKGROUND

Within the past decade, Faculty Development Programs (FDPs) have increased significantly in health professions education worldwide. There is growing evidence that health professions (HP) faculty participation in FDPs has enhanced their knowledge and skills as teachers, educators, and leaders, and contributed to the implementation of the innovative curriculum including best teaching learning, and assessment practices.

Liaquat National Hospital (LNH) offers its ninth six-month Certificate in Health Professions Education (CHPE) course for medical and dental faculty of accredited institutes. The CHPE course is accredited by Jinnah Sindh Medical University (JSMU) Karachi. LNH Department of Health Professions Education (DHPE) has designed CHPE for those motivated faculty eager to enhance their teaching and assessment skills and deliver quality education in their clinical and basic science teaching practice.

AIM

The course aims to create a community of educators who would engage in improving teaching and assessment practices and processes in health professions institutions. The course will help faculty apply the basic principles and concepts of teaching learning and assessment in the training of residents, interns, and undergraduate students of health professions.

COURSE OUTCOMES

By the end of the CHPE course, the participants will be able to:

1. Apply educational principles to develop teaching sessions.
2. Demonstrate effective face-to-face and online teaching skills.
3. Develop quality tools for the assessment of knowledge, practical, and clinical skills.
4. Provide constructive feedback to students and trainees.
5. Apply the basics of curriculum design in developing a course.
6. Integrate the judicious use of AI in teaching, learning and assessment
